## Testimony for Jesus

As I pen these words am overwhelmed by God's sheer mercies, love and kindness. When I came to U-turn for Christ I was in a dark abyss having reached the end of myself in crime, alcohol and drug addiction as well as pimping. All my bridges were burnt beyond any hope at all, family ties severed and on the run after series of crime. Deep down in my heart I was sick and tired of being sick tired of my own existence.

Pastor Duncan welcomed me and little did I know that it was actually God welcoming me. Being in U-turn has given me the opportunity for God to work in my heart, to rewire me again and mould me for service in his kingdom. God has birthed in me the thirst to reach out to crack nuts like I used to be. It is not easy as I have to learn to empty myself and allow Christ to fill me up daily. At times I am scared of my past but Jesus helps me sod it off by reminding me that He has dealt with my past for good. As I am serving in U-turn God is revealing to me the bigger picture of reaching out to the lost, the bound and those in complete darkness. I am amazed that God would actually do this to me thus I fully realize his grace over my life words cannot fully express what is in my heart. Thanks God bless U-turn, God bless Pastor Duncan and family.

Amen

## PASTOR'S NOTES

*Gen 1:2, "The earth was without form, and void; and darkness was on the face of the deep." This is an accurate description of what a life without Jesus Christ looks like, total chaos. Our relationships in jeopardy, our health often times neglected, our finances usually a mess. The earth was form less. Total chaos. But Jesus Christ has called us Out of chaos. Then God said let there be light. In John chapter 1 we are introduced to that light and His name is Jesus. We need Jesus much more today than we did even when first received him. We have been going through the book of genesis and what a blessing to see the hunger for the word that exists in our community. We trust the Lord will give us the grace to be a bright light and fervently shine the light of Christ.*
